

## MATERHORN Data Fair-Use Policy

**Before you download MATERHORN data, please first familiarize yourself with the MATERHORN Data Fair Use Policy below and accept or decline the fair-use terms.**

The MATERHORN data provided on this public archive are freely available and were furnished by MATERHORN scientists who encourage their use. Data users are encouraged to consider the following recommendations for fair, appropriate, and optimal use of data products.

### MATERHORN Scientist Interactions:

- Please kindly inform the MATERHORN scientist(s) associated with each data product about the new data analysis activity near the beginning of the effort, and of any publication plans as the effort nears completion. Scientist contact information can be found at the top of the readme file associated with each MATERHORN dataset.
- Consult with the respective MATERHORN scientist(s) concerning your data analysis plans to assure that the latest data product is being used and that it is being used appropriately.
- For general information and questions about the MATERHORN project and data, please contact the main MATERHORN science team:
